TECHNICAL SKILLS

- **Programming Languages:** C, Java
- **Web Development:** HTML, CSS, JavaScript
- **Database:** MySQL
- **Data Science Tools:** Pandas, NumPy, Matplotlib, TensorFlow, OpenCV

LANGUAGES

- English
- French
- Hindi

CERTIFICATIONS

- Python for AI and Data Science - CDAC, 2024
- Game Development using Unity - CodroidHub, 2023
- Cloud Computing - NPTEL, 2024

PROFILE

Aspiring software developer with strong foundations in **Java, Python, machine learning, and application development**, eager to contribute to real-world projects while continuously enhancing technical and problem-solving skills.

INTERNSHIPS

CDAC - PATNA

JUN 2024 - JULY 2024

Python for AI and Data Science

- Developed projects like **House Price Prediction** and **Cancer Classification** using supervised learning methods
- Worked with **Python, Pandas, NumPy, TensorFlow, Scikit-learn, OpenCV** for data analysis and model building

CODROIDHUB

JUN 2023 - JULY 2023

Game Development using Unity

- Developed **2D/3D games using Unity and C#**, implementing game mechanics, scripting, and physics concepts effectively and efficiently
- Built **Coin Collector, Jet Fire, and Racing Game** with player controls, scoring system, and collision detection features integrated

PROJECTS

Leaf Disease Prediction System

March 2025

- Developed a **deep learning model to classify plant leaf diseases** using TensorFlow, OpenCV, and image processing
- Applied **image preprocessing, augmentation, and CNN-based modeling** to improve accuracy and performance
- Trained and evaluated the model on **real-world datasets** for reliable disease detection and prediction

Sini's Revenge 2D/3D Action Game

Jun 2023

- Developed **"Sini's Revenge" Unity action game** using C#, adding core gameplay features and player actions
- Designed **levels, UI, animations, controls, and game flow elements** for smooth and easy gameplay experience
- Implemented **enemy behavior, collision detection, and performance improvements** for better game flow

EDUCATION

Master of Computer Applications

2025 - Present

Inderprastha Engineering College Ghaziabad

SGPA: 8.30

Bachelor of Computer Applications

2022 - 2025

Amity University Patna

CGPA: 8.61
